President's Message

I would like to wish the teams that are playing off for this year's premiership the best of luck today! Unfortunately there can only be one winner, but it is a credit to you, the players, and to your clubs that you have fought your way this far.

I would further like to say that this year has been one of the best we have had in the South Suburban league for sometime. The qualifying rounds finished with five sides capable of winning this year's Premiership.

The standard of football has risen to its highest peak, and I feel the South Suburban is moving a little closer to its ultimate goal of fielding a side in the W.A.N.F.L. competition.

Finally I would like to thank some of the people who have been working alongside me this year, striving to make this league the best.

THE EXECUTIVE COMMITTEE:

SECRETARY: Reg Blackburn. 21 years in this position.

VICE-PRESIDENTS: Neil Lord and Reg Phillips.

TREASURER: Rod Portsmouth.

REGISTRAR: Clive Simcock.

LEAGUE COACH: Don Rintoul and his selection committee.

UMPIRES COACH: Ian Randall.

To the other clubs who missed out in qualifying for the finals, next year could be your year.

Secretary's Message

R. BLACKBURN,
Secretary.

Today's games usually end the playing season for our league. However, this year we have one more day to come. Arrangements are being made for a combined team from this league to play the Geelong F.C. on Sunday, 28th September. Supporters who saw the game when we played them in 1965 will recall the high standard of football displayed and this year promises to be even better.

The competition this year has been very hard with possibly only two clubs having a rather disappointing season. However, I am sure they will be back in strength again next season. I wish to thank the other clubs for making the season an interesting and competitive one right up to the finals.

I take this opportunity of extending my thanks to all club secretaries for their co-operation during the year. To the delegates and league committees I have been associated with I say thank you and congratulations on a job well done. On behalf of the Umpires Board, I extend to our Umpires Coach and Adviser a sincere vote of thanks for a great job and only we know the work and effort you have put in to your position this year.

To the teams taking part in today's Grand Final I wish success and I am sure we shall see both games played in the true spirit of the game.

Finally, I wish to extend my thanks to all who have given me their help and support during the past 21 years. I feel the time has come for some one else to take on the many onerous duties and responsibility which is thrust upon the League Secretary, so I shall not be nominating for this position next year.

In conclusion I say a sincere and heartfelt thanks to the many good friends I have made over the years and trust that we shall continue to hold that friendship in the future.

GEELONG RETURN AFTER 10 YEARS

A fixture between a combined side from the S.S.M.N.F.L. and the Geelong F.C. has been arranged to take place on Sunday, 28th September.

Those who were fortunate enough to see the game when we played them here in 1965 will recall the high standard of football and we are sure this game will again be one to remember.

Graham (Polly) Farmer has promised to play and we are looking to you to support us in this fixture.

"THE BULLS ROAR"

Last Sunday proved to be a day of mixed fortunes for the Bulls.

The Reserves, although beaten, put up a creditable performance, but were unable to hold off the strong challenge of Kenwick in the final quarter. In a high standard game the scores fluctuated with one side leading and then the other, but Kenwick's overall pace finally saw them run out winners by 17 points. Whilst not detracting from Kenwick's performance, I feel that the Reserves are a little unlucky as the multitude of injuries and sickness that has hit the club, certainly put a drain on our Reserves.

I would like to thank Jim Di Carlo on behalf of the committee and players for the way he has carried out his position as coach and it certainly wasn't his fault that we are not playing in the Grand Final. I would say without fear of contradiction that Jimmy would be one of the most dedicated Reserves Coaches our club has ever had and I know from a players point of view it has been tremendous to play under him.

BEST PLAYERS: Les Jarvis, Doug Bushby, Russell Jarvis, Gus Reynolds and Alan Bradshaw.

The League game proved to be somewhat of an anti-climax as we had expected to see a real fight from Thornlie after their win against Kwinana.

However, the Bulls with determination and desperation, never allowed them in the game, at any stage, and in a very one sided final, completely crushed Thornlie's hopes of their first Premiership Flag. I guess it would be apt to say: "that when the Bulls bore their teeth their not laughing."

In a very even team performance our Best Players were: Dennis Cometti, Ian Saunders, Paul Mountain, Ross Palmer, Doug Black, Brian Goderidge, Rocky Butler, Jim Cominelli and the other 12 players.

SOCIAL EVENTS

MONDAY 15th SEPTEMBER: All Day licence with a barbecue lunch and a Spit Roast Tea. Members and supporters are welcome.

Well today is the day we have all been waiting for and I urge all members and supporters to get behind our players and really give them the vocal support that they so rightly deserve. BEST OF LUCK MADDINGTON . . . FOR THE PREMIERSHIP

from THE MANAGEMENT and STAFF of
UNITED WELDERS

THE HAWKS WILL STRIVE IN '75

Maddington Football Club, premiers last year, will meet the pace-setters Gcnells today, in the Grand Final, which provide many highlights on and off playing field.

The feature of this Grand Final is the clash between two very powerful clubs who have reaped many a harvest of rewards in previous years.

This match will see the clash of two clubs who are at their very peak of form, but with US the MIGHTY HAWKS for these reasons we are to win the premiership.

Your ability players, your desperate desire to win for yourselves, and the CLUB to win is the reason why our winning sequence will not end today, says MOE the Magpie.

The committee, supporters and all blue and go'd are in the same frame of mind. ONE desire to give our darn last ounce of desperate breath to bring the flag back home to Gcnells in 75.

To Peter, I say thank you from all the club for a job well done, the situations you have been through over the season over injuries, selections, has proved what courage you have.

To the supporters club, ladies, trainers, to all people who have helped in any way, the players will reward you, Mrs. Ball, those jumpers will wear you proud.

To conclude the Hawkes Report for 75, let's fly all flags Brian "P".

Congratulations George Leathley to another extra member to your growing family.

Remember Hawks "75" is to strive! Jack Peck, bye for next season.

WICK'S WEEKLY

The "Mighty Royals" put up a magnificent effort last Sunday to defeat Maddington and win a place in today's Grand Final.

Last week's game was played in very trying conditions. Although there was hardly any rain, the windy conditions played havoc among the players. To the credit of both sides, they played with a strong desire to be first to the ball and this resulted in a very high standard game being witnessed.

The boys are to be congratulated on their second half effort. At half time the game looked as though it could be going the opposition's way, but beautiful goals from Nev Fry, Mal Emery and Wayne Ogg settled the side and gave them the lift that was needed.

In today's game we cannot afford to play only a mediocre first half and rely on the second half of play to win the game. We must attack from the first bounce and have a winning break at half time and continue with the pressure.

It must be telling on all the supporters (most of whom are half inebriated at three quarter time) when the games are close, as they have been during the last two games.

In last Sunday's game there were many outstanding players who contributed throughout the whole one hundred minutes.

These included: Mal Emery, "Stretch" Gilbert, Darryl Ogg, Tommy Quinn, Alan

Beattie and George Pomesback. All twenty players could have been included in this list.

Hopefully Wayne Ogg's injury sustained last week will not keep him out of the side for today's game.

To all players selected today all of the club and its supporters wish you every success and hope you bring that flag home from Gosnells. Remember there is no prize for second; Every player must realise this and no doubt you will all strive to win for three reasons:

- (1) Brian Thompson.
- (2) The Kenwick Football Club.
- (3) Your own person pride.

GOOD LUCK FELLA'S!

At this time I would like to remind all members and players of our two final functions for the year.

(1) The counting of votes for league and reserves games. This will be held at Gosnells Civic Centre on 3rd October.

(2) Annual Dinner and Presentation of Trophies to be held at Gosnells Civic Centre on Saturday 25th October. —All players are asked to attend.

Thanks to the Committee, Ladies Committee, Social Committee and the players for their efforts during the season and let's hope that next year will be even a bigger one for the Royals.

Let's see everyone back at Mills Park after today's game.

"Come On You Mighty Royals."
